

The mission of Badger Ridge is to provide a safe and inclusive learning environment where EVERY child is successful. Within a community that emphasizes culturally responsive practices, our students are encouraged to experience the joy of learning while partnering with teaching staff who approach teaching and learning with high expectations and personalization. In order to achieve our mission, Badger Ridge is committed to providing a school structure that fosters a shared responsibility for personal connections and builds a strong sense of community.

The Verona Area School District (VASD) is working with all district schools to ensure that:

- Every student has a personalized learning plan that provides a path to discovery and achievement and that plan is reviewed and changed at least annually based on the student's needs
- Every student's parent, guardian or advocate participates directly in the design, implementation, and outcomes of that student's personalized learning plans
- Every student meets or exceeds personalized learning plan goals every school year
- Every Verona Area High School student graduates
- Every graduate achieves their choice of college and career path

Badger Ridge Middle School
