

## Alert on Changes to Your Neighborhood Attendance Area School

The Verona Area School District Board of Education recently made a decision on a means to control the overcrowding at Glacier Edge Elementary. This change only affects those households located in the quadrant south of McKee Road, east of HWY 151, north of Whalen Road and west of Mutchler Rd and S. Seminole HWY (see website link below to find map.)

Moving forward, elementary students in grades K-5 at Glacier Edge who currently live in this quadrant will continue to attend Glacier Edge, while new families who move into this area will attend Stoner Prairie as their primary elementary school. Also, if you intend to enroll your child in the Two Way Immersion Program, please contact Dean Gorrell at the information listed below.

To see a map of this area and for additional information on the district's long range facilities plan, please visit [www.verona.k12.wi.us/facilities\\_planning](http://www.verona.k12.wi.us/facilities_planning). For additional questions, contact superintendent Dean Gorrell at [gorrelld@verona.k12.wi.us](mailto:gorrelld@verona.k12.wi.us) or 845-4310. We are honored you chose the Verona Area School District for your child(ren).
